

Our goal with Pepe Clause is to bring As much joy as we can this holiday Season. Between the gains on our Chart, mini game competitions and Our holiday charity drive we plan to Make it a very merry christmas for our Investors. Through hard work, extensive Preperation and determination for success our proven effective team aims to bring you The #1 coin this christmas and for many Christmas's to come.

Pepe Clause does not make promises for the future he provides in the present with our socials opening with the Pepe Clause contract audited. The website Completed and two live mini games to Master while we await take off. Our early start and 25 day advent calender full of rewards are sure to keep investors entertained while our marketing keeps New investors entering.

We have structured our token and Social groups to be open, fun and Interactive to be able to create a Safe space were people are Comfortable to help grow a strong Community. Community's make coins So more than anything we strive to have a large, strong ever growing Community of Pepe Clause investor's.

With 10 completed mini game's to be released over the holiday's and loads of daily competitions topping the leader boards can make your experience at Pepe clause much more lucrative. No matter your favourite game type there will be a game style for everyone. from shooters to tests of memory there will never be a dull moment around the Pepe Clause community. We plan to release more holiday themed games through out the year to celebrate all special occasions with our community. Some games will be located on the site and some are playable directly on Telegram but all are sure to be fun.
